

IN THE NAME OF GOD

Curriculum Vitae

Abbas Alipour

Birth date : 11/09/1972

Place of Birth: Babol, Iran

Marital Status: Married

Children: One daughter, One son

Office:

Department of Social medicine,

School of medicine, Mazandaran University of Medical Sciences

PO Box: 48175-1665

Tel: + 98 (0) 151 – 3543081-3 ext 2333

Fax: + 98 (0) 151 - 3543248

Cell: +98-911-152-1952

Email: Alipour_abbass@yahoo.com; abalipour@sums.ac.ir

Degrees

Mazandaran University of Medical Sciences, Sari, Iran

Assistant professor (MD, Ph.D) of Epidemiology

2012- Continued

Shiraz University of Medical Sciences, Shiraz, Iran

PhD student of Epidemiology 2008- 2012
Department of Epidemiology ,School of Nutrition and Public
Health, Shiraz University of Medical Sciences, Shiraz, Iran

Thesis: “ Evaluation of individual and couple level risk factors
for HCV infection among HIV infected dyads in Shiraz, during
the year 1390”

Supervisor: Dr Abbas Rezaianzadeh, and DR Jafar Hasanzadeh

Babol University of Medical Sciences, Babol, Iran
Doctorate in Medicine 1992-1999
Thesis: “Assessment of infants growth from 0 to 2 years old of rural community of
Babol city and comparing with NCHS/WHO charts”

Supervisor : Dr Karimollah Hajian

Shahid Mofatteh, High school(experimental sciences specialty),
Babol, 1991

Shahid Beheshtei, High school (mathematic and physic specialty),
Babol, 1988-1990

Awards

- Member of exceptional talent development center (first level), Shiraz University of medical sciences 2010-2011
- Excellent Student Award, Shiraz University of medical sciences 2010
- Distinct student among medical students in Shiraz University of Medical Sciences 2010
- Excellent researcher award among medical students in Shiraz University of Medical Sciences 2010

- Distinct Student among Students in the Faculty of health and nutrition, Shiraz University of medical sciences 2010
- Distinct counselor in Shiraz University of Medical Sciences 2010
- Distinct student among medical students in Shiraz University of Medical Sciences 2009
- Distinct Student among Students in the Faculty of health and nutrition, Shiraz University of medical sciences 2009
- Distinct manager among managers in the Mazandaran health system, mazandaran University of medical sciences 2006
- Excellent Student Award, scientific race in tertiary schools in Babol city 1990
- Excellent Student Award, scientific race in secondary schools in Mazandaran province 1989
- Excellent Student Award, scientific race in secondary schools in Babol city 1989

Grants

- Prevalence of HCV infection in HIV individuals in Iran, a systematic review, granted by Mazandaran university of medical sciences (administrator) 2013
- Survey the **psychotic health and quality of life in public population with gastro esophageal reflux in the Amol village**, granted by Mazandaran university of medical sciences (Partner) 2013
- Evaluation of prognosis of infants with antenatal 2013

hydronephrosis sari 2003-2013, granted by Mazandaran university of medical sciences (Partner)

- **The comparison of mild stimulation versus conventional stimulation in IVF outcome**, granted by Mazandaran university of medical sciences (second administrator) 2012
- Comparison of incisor inclination in patients with cl.II malocclusion & root parallelism of canine & 2nd premolar between 2 methods of straight wire & standard edgewise, granted by Shiraz university of medical sciences (Partner) 2011
- Survey of anti – HBS titers in vaccinated discontinues dental students of zahedan university in 2011, granted by Zahedan university of medical sciences (Partner) 2011
- Comparasion of clinical success of applying a fissure sealant (Smartseal&Loc) on the lower permanent molar teeth in dry and wet conditions, granted by Shiraz university of medical sciences (Partner) 2011
- Evaluation and comparision of shape and dimention of sella turcica in patients with normal and low and high facial height, granted by Shiraz university of medical sciences (Partner) 2011
- Association of helicobacter pylori with oral lichen planus in patients referring to oral medicine department of Shiraz dental school , granted by Shiraz university of medical sciences (Partner) 2011
- Detection of Micro satellite Instability by quantitative real time PCR in colorectal cancer patients: The comparison between tissue, serum and stool samples, granted by Shiraz university of medical sciences (Partner) 2011
- Accuracy detection of APC2 and SFRP2 promotorgenes hyper methylation in IBD patients refered to Motahari clinic : The comparison between tissue and serum and stool samples, granted by Shiraz university of medical sciences 2011

(Partner)

- National HIV Bio-behavioral Surveillance Survey (BSS) 2010
in Injecting Drug Users (IDUs), the 2nd round – Iran,
Supported by Global Fund (Partner)
- In vitro comparison of the antiherpetic effect of persica & 2010
chlorhexidine mouthwash , granted by Shiraz university
of medical sciences (Partner)
- Assessment of the type of changes in airway space and 2010
head posture following orthognathic surgery in CI III
patients , granted by Shiraz university of medical sciences
(Partner)
- Short term effect of scaling and root planning on 2010
periodontal status and glyceimic level of type2 diabetic
patients, granted by Shiraz university of medical sciences
(Partner)
- Evaluation of degree of agreement between cervical 2010
vertebrae maturation indicators in lateral cephalometry
and hand wrist radiographs and craniofacial morphology
in short stature patients in Shiraz, granted by Shiraz
university of medical sciences (Partner)
- The effect of constraint- induced movement therapy on 2010
skills of hand in mild hemiplegics children , granted by
Shiraz university of medical sciences (Partner)
- Evaluation of temperature and type of orthodontic 2010
materials on metal ion release, , granted by Shiraz
university of medical sciences (Partner)
- Evaluation of relationship between dental arch width and 2010
craniofacial morphology, granted by Shiraz university of

medical sciences (Partner)

- The effect of infrared laser on pain in myofacial pain syndrome patients in patients referring to oral medicine department of Shiraz dental school, granted by Shiraz university of medical sciences (Partner) 2010
- Evaluation of HCV prevalence and risk factors of it in Shiraz , granted by Shiraz university of medical sciences (Partner) 2010
- Study of interpolation method in diagnosis of carpal tunnel syndrome and compare it with midpalm antidromic sensory method, granted by Shiraz university of medical sciences (Partner) 2010
- The Effects of auricular Acupuncture on Leptin hormone in Iranian Obese and Overweight Subjects , granted by Shiraz university of medical sciences (Partner) 2010
- The effect of intravenous magnesium sulfate on intraocular pressure changes following tracheal intubation in adults in Shiraz University affiliated hospitals, granted by Shiraz university of medical sciences (Partner) 2009
- effect of low dose ketamine infusion on hemodynamic change and inflammatory response in coronary artery bypass graft surgery, granted by Shiraz university of medical sciences (Partner) 2009
- Effect of Colloid Versus Crystalloid Administration in Cardiopulmonary Bypass Prime Solution on Tissue and Organ Perfusion, granted by Shiraz university of medical sciences (Partner) 2009
- Evaluation of children's development in verbal and non-verbal IQ after cochlear implantation surgery and rehabilitation in Shiraz University affiliated Khalili hospital, granted by Shiraz university of medical sciences 2009

(Partner)

- An invivo comparison of electronic apex locator (ROOT ZX) and radiography in determination of root canal length in primary molar, granted by Shiraz university of medical sciences (Partner) 2009
- The efficacy of partial inferior turbinecomy for decreasing post rhinoplasty nasal obstruction in Shiraz University affiliated hospitals, granted by Shiraz university of medical sciences (Partner) 2009
- Prevalence of low back pain and its related risk factors in food industries production line workers in Shiraz (2009), granted by Shiraz university of medical sciences (Partner) 2009
- Evaluating of prevalence of low back pain risk factors in 18-60 years old rural and urban women in shiraz and its environs in 1389, granted by Shiraz university of medical sciences (Partner) 2009
- A comparison between exercise therapy and manual therapy in treatment of low back pain patient with sacroiliac joint dysfunction, granted by Shiraz university of medical sciences (Partner) 2009
- determine the prevalence of hepatitis B in Kavar District, Fars Province, Southern Iran, granted by Shiraz university of medical sciences (Partner) 2009
- Comparison of Iranian traditional and preferred music on tolerance time in cold water, granted by Shiraz university of medical sciences (Partner) 2008
- Evaluation of Hemodynamic Changes Due to Protamine Administration by Calcium Gluconate after Coronary Artery Bypass Grafting Surgery, granted by Shiraz 2008

university of medical sciences (Partner)

- Incidence of early post – tympanostomy tube otorrhea in chronic otitis media with effusion in Shiraz University affiliated hospitals, granted by Shiraz university of medical sciences (Partner) 2008
- Comparison study of the effect of 3 way of anesthesia on the effect of BIS-guided anesthesia in Shiraz University affiliated hospitals, granted by Shiraz university of medical sciences (Partner) 2008
- Preparation of informational bank from thalassemic patients in Babol city, granted by Babol university of medical sciences 1996
- Evaluation of patients with poisoning diagnosis in Babol city hospital units , granted by Babol university of medical sciences 1995
- Evaluation of prevalence and risk factors of hypertension in Babol city, granted by Babol university of medical sciences and Tehran university of medical sciences (heart research center) (partner) 1994

Teaching Experience

- Academic Courses
- **Mazandaran University of Medical Sciences**
- Systematic review 2nd semester
- Advance research methodology 2012
- Risk assessment
- Screening
- Health indicators
- Pharmacoepidemiology
- Basic epidemiology

- Advance epidemiology
- Non-communicable epidemiology
- Communicable epidemiology
- Outbreak investigation

- **Shiraz University of Medical Sciences**

- Epidemiology-for MS students of health economy 1st semester 2011
- Research Methodology- for MS students of health management 1st semester 2011
- Epidemiology- for Dental residents 1st semester 2010
- Biostatistics-for medical students 2nd semester 2009
- Research Methodology- for Dental residents 1st semester 2009
- Research Methodology- for MS students of occupational health 1st semester 2009
- Research Methodology- for MS students of environment health 2st semester 2008
- Biostatistics- for Oral and Dental Health students 1st semester 2008

Workshops & Courses

- Lecturer and Facilitator- The course on “Single subject design - Shiraz university of medical sciences” 7 July 2010
- Research methodology Many times

Education and training

- Medical journalism, Shiraz university of medical sciences 8-10 may 2010
- Life Expectancy: Concepts, Measurements, Global Trends and Implications for Future, international workshop, Shiraz university of medical sciences 5-6 July 2010

Administrative/Scientific Positions

- Member of Thalassemia Research Center, Mazandaran University of Medical sciences, Iran 2012-2013
- Deputy of Vice Chancellor for treatment, Mazandarn University of Medical Sciences, Iran 2012-2013
- Assistant professor of social medicine department, medical school of Mazandarn University of Medical Sciences, Iran 2012-2013
- Counselor of research designs, research center of Khalili hospital, Shiraz University of Medical Sciences, Iran 2008-2011
- Counselor of research designs, Gastroenterology research center of Nemazi hospital, Shiraz University of Medical Sciences, Iran 2009-2010
- Manager of treatment, Mazandaran province, Mazandaran University of Medical Sciences, Iran 2006 – 2007
- Member of treatment services leveling committee, Ministry of Health and Medical Education, Iran 2005-2007
- Member of writing committee of referral system (2 and 3 levels) in familial physician design, Ministry of Health and Medical Education, Iran 2005-2007

- Member and referee of health system research committee, Mazandaran University of Medical Sciences, Iran 2004-2007
- Head of Razei (Ghaemshar) hospital, Mazandaran University of Medical Sciences, Iran 2005- 2006
- Manager of treatment supervision office, Mazandaran province, Mazandaran University of Medical Sciences, Iran 2003-2005
- Manager of medical emergency and disaster , Mazandaran province, Mazandaran University of Medical Sciences, Iran 2001 -2003
- Head of Shohada (Savadkooh) hospital, Mazandaran University of Medical Sciences, Iran 2000-2001
- Head of Laforak (Savadkooh) health and treatment center, Mazandaran University of Medical Sciences, Iran 1999-2000
- Head of the Student Research Council, Babol university of Medical Sciences 1996 – 1998
- Member of the Student Research Council, Babol university of Medical Sciences 1994-1996
- Head of administrative unit, Shafee (scientific and cultural journal), Babol university of Medical Sciences 1994-1998

Other Scientific activities

- The research advisor and statistics counselor of many (over 75) theses for Master, MD, residents, PhD degrees, as well as scientific projects.

Other Skills

- Expert in using statistical software and programming with SPSS
- Familiar with statistical software and programming with STATA and SAS
- Reading the Koran aloud

Hobbies

- Swimming, climbing, taekwondo, reading.
